

SCENE AT MUNICIPAL AIRPORT, MEMPHIS, TENN.—71

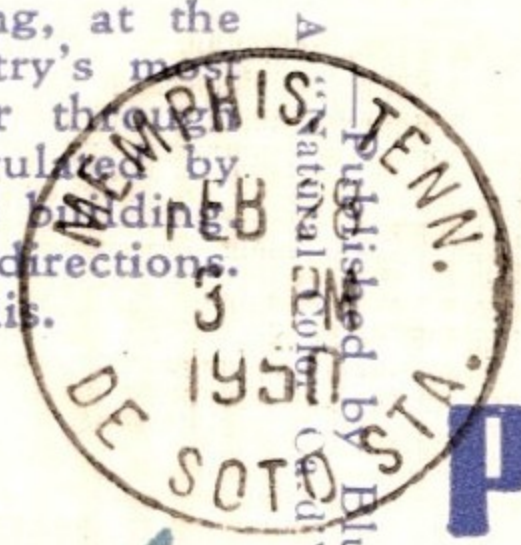

ADMINISTRATION BUILDING

200

6676

The \$65,000 administration building, at the Memphis Airport is one of the country's most up-to-date. There is a control tower through which all traffic of the airport is regulated by radio, and stop and go beams atop the building. There are runways in eight compass directions. Three air transport lines serve Memphis.

Post CARD

Dear Bob,

It is nice to be sending you cards again at school. Hope this one is suitable.

How are you?
Uncle Sam + I are on our way to Hot Springs.
Love,
Bess Goldberg
